**Information Day for People Interested in
Puppy Raising or Volunteering
Saturday, March 6 from 3pm-4:30pm
at Especially for Pets, Sudbury**

CCI is a nationwide, non-profit organization that provides assistance dogs to people with disabilities other than blindness. Volunteer puppy raisers provide these specially bred puppies a safe home, take them to obedience classes, serve up a healthy diet, provide socialization opportunities, and give lots of love. Each hour spent caring for a CCI puppy is vital to its development as a future assistance dog. The puppy raising program provides a unique opportunity for volunteers to assist CCI with its very important mission.

Please join us for a special presentation designed for Prospective Puppy Raisers and Volunteers which will include:

- *A panel discussion where puppy raisers describe their experiences.
- *A presentation by a graduate team (assistance dog and their recipient).
- *An informal meet and greet with puppy raisers, dogs, and assistance dog recipients.
- *Presentation will be followed by a CCI Training Class at 5pm (which you are welcome to observe).
- *Volunteer opportunities that are available (public relations events, fairs, and fund-raisers).
