Founded in 1975, Canine Companions for Independence is a non-profit organization that enhances the lives of people with disabilities by providing highly trained assistance dogs and ongoing support to ensure quality partnerships.

Imagine not being able to open a door. Answer the phone. Hear a fire alarm. Or even pick up a pencil. Think what it would feel like to have people stare at you because you're in a wheelchair. Put a Canine Companions assistance dog in the picture, and everything changes. Thanks to the physical tasks the assistance dog performs, lives are suddenly filled with new potential.
