# BE INSPIRED.

Canine Companions for Independence® and the Downtown Disney® District cordially invite you to experience the ART OF INDEPENDENCE with Tommy Hollenstein.

## ART OF INDEPENDENCE

Saturday, May 22, 2010, NOON to 4PM  
Downtown Disney in front of ESPN Zone

Tommy is an artist and Canine Companions graduate. Rather than the traditionally handheld paintbrush, Tommy uses the tires of his wheelchair to paint. The result is layers of bright, fluid, weightless color that are sometimes augmented by the paw prints of his service dog, Hiley!
