Canine Companions for Independence® is a nonprofit organization that enhances the lives of people with disabilities by providing highly trained assistance dogs and ongoing support completely free of charge. Our WOUNDED VETERANS INITIATIVE was established to place more assistance dogs with injured service members from the Afghanistan and Iraq conflicts. Canine Companions has proudly served US veterans from all conflicts since its founding in 1975.

Join Canine Companions on March 19 for a day of inspiration, information and fun! This is a special event for military veterans, active duty service members, their families and friends.
